Finantsinspeksioon issued authorisation on 27 September to Maksekeskus AS to provide account information services as a payment institution.

The account information authorisation gives Maksekeskus the right to provide account information services. This means it can present aggregate information on one or multiple payment accounts that have been opened at other payment service providers.

The members of the management board of Maksekeskus are Art Lukas and Kaido Koort.

All authorised payment institutions are listed on the Finantsinspeksioon website in the list of Supervised Entities. Alongside its authorisation for account information services, Maksekeskus has authorisations to provide the services of money transfers, payment transaction execution, payment instrument issuance, transaction receipt, and payment initiation.
