Italy

The Commissione Nazionale per le Società e la Borsa (CONSOB) has ordered the black-out of 6 new websites that offer financial services illegally.

The commission availed itself of the new powers resulting from the “Decreto Crescita” (“Growth Decree”; Law no. 58 of 28 June 2019, article 36, paragraph 2-terdecies), on the basis of which Consob can order internet service providers to block access from Italy to websites offering financial services without the proper authorization.

Below are the sites Consob has ordered to be blacked out:

Ft Global Financial Ltd (website <https://empirefxm.com> and its page <https://my.empirefxm.com>);

Eudaimon Consultind Llc (websites <https://tradingtech.io> and <https://aceinvesting.io>);

Cornerfxtrade24 (website <https://cornerfxtrade24.co> and its page <https://client.cornerfxtrade24.co>);

Cryptofx Ltd (website www.cryptofx.com);

AlphaTradeplus (website <https://alphatradeplus.com> and its page <https://client.alphatradeplus.com>).

The number of sites blacked out since July 2019, when Consob got the power to order that the websites of fraudulent financial intermediaries be blacked out, has thus risen to 651.

The measures adopted by Consob can be consulted on the website www.consob.it.
