The Commissione Nazionale per le Società e la Borsa (CONSOB) has ordered the black-out of 5 new websites that abusively offer financial services/financial products: 4 abusive financial intermediation sites and 1 site through which financial products are offered without a prospectus.

The Authority availed itself of the powers deriving from the “Decreto crescita” (growth decree, Law no. 58 of 28 June 2019, article 36, paragraph 2-terdecies) regarding the blackout of the sites of abusive financial intermediaries, as well as the power introduced by Law no. 8 of 28 February 2020 (article 4, paragraph 3-bis), regarding the blackout of the sites through which the abusive offer is made.

Below are the sites Consob has ordered to be blacked out:

Alphapro Fx (website <https://alphaprofx.co.uk> and its page <https://client.alphaprofx.co.uk>);  
Eurofxsecurities Limited (website <https://eurofxsecurities.com> and its page <http://client.eurofxsecurities.com>);  
The Active Traders Ltd (website <https://theactivetraders.com> and its page <https://client.theactivetraders.com>);  
Promarketing Ltd (website <https://green-capitalz.com> and its page <https://platform.greencapitalz-trade.com>);  
Enercom Ag (website [www.enercom.ag](http://www.enercom.ag) and its pages <https://kyc.enercom.ag> and <https://sales.enercomg.ag>).

The black-out of these websites by internet service providers operating on Italian territory is ongoing. For technical reasons, it can take several days for the black-out to come into effect.
